## Merchant Payment Processing Solutions from Credit Card Industry

Make your payment processing simple, fast - and above all, SECURE. You can't afford to take chances with your customers' sensitive financial data, and with Credit Card Industry you won't have to worry. We provide the highest level of data security in the industry, and have merchant account solutions to fit your unique needs.

With Credit Card Industry you will enjoy the perfect combination: high service levels, attentive customer service, and the lowest rates in the industry. Our focus is on complete merchant solutions.

Simply submit your current merchant statement. Credit Card Industry will analyze the actual history of your processing experience, not by guessing. We are confident in our ability to be competitive, and we will show you the result in a side-by-side comparison.
